ABOUT U.S. MARINE CORPS RESERVE TOYS FOR TOTS PROGRAM

The mission of the U. S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during October, November and December each year, and distribute those toys as Christmas gifts to needy children in the community in which the campaign is conducted. The objectives of Toys for Tots are to help less fortunate children throughout the United States experience the joy of Christmas; to play an active role in the development of one of our nation's most valuable resources – our children; to unite all members of local communities in a common cause for three months each year during the annual toy collection and distribution campaign; and to contribute to better communities in the future. Additional information about Toys for Tots can be found at www.toysfortots.org.

ABOUT THE UNITED WAY OF FRESNO COUNTY

Since 1923, United Way has been at the heart of a great and caring community. In the fertile, sundrenched Great Central Valley between the Sierras and the Pacific Ocean, Fresno County has the largest agriculture economy of any county in the nation. But intertwined with its rich abundance and rich heritage of cultures from around the world, Fresno County also has one of the highest poverty and unemployment levels in the nation. United Way of Fresno County (UWFC) brings resources together to address the most urgent issues the community faces. Through unique partnerships and approaches, UWFC mobilizes resources beyond the dollars that are pledged through their fundraising efforts. UW helps a wide range of nonprofit organizations and institutions meet real human needs, from most basic physical requirements of food, clothing, and shelter, to the most lofty reaches of mind and spirit in the arts.
